Performance lives here.

The perfect fit & finish™ for every lifestyle

The **Jayman BUILT Fit & Finish™** booklet will help you choose the home of your dreams. We offer four finish levels tailored to give you what you want at a price you need. As Alberta's largest home builder, we use

our buying power to negotiate with our suppliers to get the lowest price for the best quality materials, passing the savings on to you. Use this booklet to select the finishes that matter most to you.

CORE PERFORMANCE

Our homes are built to perform—now, and well into the future. Our Core Performance features come standard in every home and meet the highest standards, inside and out. From structure and exterior, to energy efficiency, water saving and indoor air quality; your home's performance is our first priority.

We encourage you to review these pages while you're shopping for a new home. Check & Compare what Jayman includes in our base price versus other builders:
